MakerClarity

Pricing & Profit Toolkit

for Etsy & Handmade Sellers

Purchase Access Guide

What your purchase includes

- Pricing & Profit Calculator
- Three-Scenario Price Comparison
- Pricing Decision Worksheets
- Five Worked Examples
- Pricing Summary
- PDF / CSV / Print export tools

How to access

1. Complete payment through Lava.

2. Payment is confirmed securely.

3. Return to MakerClarity in the same browser and device used to start checkout.

4. Once confirmation is received, choose "Open My Toolkit".

Purchase confirmation: https://getmakerclarity.com/purchase/success

Payment confirmation may take a short moment. A return URL alone does not unlock access.

Access & support

If access does not appear

Wait briefly, refresh the page, and return to purchase confirmation in the same browser.

Do not make another payment if access is delayed. Contact support instead.

If you paid directly on Lava, switched devices, or cleared browser data, contact support.

Include the email address used during checkout, the product name, and a short description of the issue.

Do not send payment card details. Never send passwords or access tokens.

Important

This is an access guide, not a copy of the paid Toolkit. The Toolkit is a web tool on MakerClarity; access requires a verified purchase.
